

Project Manager (m/f/d)

Digital Loop GmbH is a fast growing consulting company with a focus on Web Analytics, MarTech, Digital Marketing as well as Web and Software Development.

We work with well-known European clients to develop complex solutions that enable data-driven decision making. We are passionate about data and strive to develop scalable solutions that drive our clients' digital business.

Currently we are looking for an experienced project manager (m/f/d). Become part of our international and motivated team!

Your Tasks and Responsibilities:

- Active involvement in client projects from day one.
- Fill in the role of an account manager for our clients.
- Coordination of our teams according to workload and capacity.
- Support in creating reports, presentations, and workshops.
- Independent work method.
- Design and planning
- Monitoring the success of your projects.
- Team and project leadership.

Your Expertise and Traits:

- 3 to 5 years work experience.
- You have an eye for the big picture.
- You are ambitious and want to develop your skills further.
- Skills in clear communication, presentation, and analytical thinking.
- Organizational talent, pragmatic work method, and ability to work in a team.
- You are familiar with modern practices in software development.
- Independent, analytical, structured, and goal-oriented work method.
- Self-organization when working on multiple projects.
- Confident manner towards cooperation partners and clients.
- Active interest in IT and/or e-commerce or even first experiences on the field.
- Good or very good knowledge of written and spoken German as well as fluent English knowledge.

- Experience with the development, configuration, or use of IaaS products is a plus.
- English language skills.

Your Advantages With Us:

- An interesting position with considerable design freedom in a highly motivated international team (Germany, Ecuador, and Turkey).
- An environment which allows you to take responsibility and show initiative.
- Beautiful office in the heart of Munich with a view over the Isar.
- Possibility to work remotely.
- Excellent educational and training offerings.
